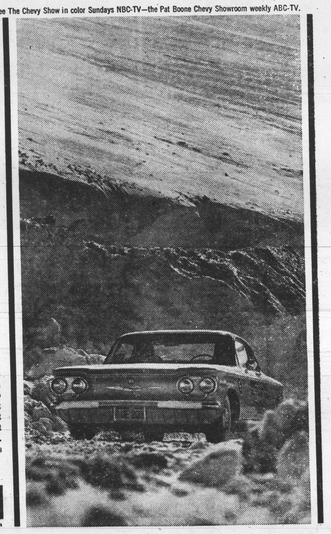
NOW LOOK WHAT CORVAIR'S GONE AND DONE!



The same Corvair that tallied a thumping 27.03 miles per gallon* in the Mobilgas Economy Run . . . went right on to climb Pikes Peak earlier in the spring than any car has ever tried!

We wanted to show you what the fabulous traction of Corvair's rear-engine design and the sure-footedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak—and right up to the top of that savage mountain, on April 15, still deep in winter's snow and ice. No other car—even specially equipped—had ever been able to conquer that nightmare alpine road so early in the spring. But Corvair (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvair is totally unique. But you'll find that out the first five minutes you're at the wheel!

Three To Attend Camp

Three Appomattox County boys have been awarded scholarships to Holliday Lake B. y's Forestry Camp. This announcement was made today by Edgar E. Senter, Forester, with West Virginia Pulp and Paper, one of the seven paper companies financing the project. The boys chosen, from a field of many applicants for their accomplishments in forestry are Cecil Deane, Route 3, Appomattox; G. H. Jamerson, Appomattox, and Sam Scott, of Spout Spring.

The camp will be held at Holliday Lake, located on the Buckingham-Appomattox State Forest, for one week starting June 27. During the week at camp, the boys will receive instruction in many forestry subjects, including timber management and harvesting, fire prevention and suppression, game management, tree planting, tree identification, surveying, and other allied subjects. In addition to the instruction, which is carried out in the forest areas around the camp, the boys will participate in a varied recreational program. Athletics, swimming, fishing, and campfire entertainment will be included in this program.

A tour through the Lynchburg mill of the Mead Corporation, to see the interesting process of paper manufacture will be a feature of the camp this year.

The camp sponsor is the Southern Pulpwood Conservation Association, the financing coming from seven of the pulp and paper manufacturers of Virginia. Administration of the camp is handled by the Virginia Division of Forestry.

Appomattox is a growing town

Mayor's News Report

To the Citizens of
The Town of Appomattox:

You fine people are to be congratulated again for the splendid effort that you are putting forth to make "The Clean-Up Campaign" a success. Let me take this opportunity to call your attention to the fact again, that if the trash and debris is not moved from your property within two days after it has been collected, then please call the Town Manager at the Town Office, and it will be taken care of.

Saturday, May 28, should be a big day for Appomattox. The Annual Horse Show, being sponsored by the Lions Club and the Jaycees is wonderful entertainment. Let's everyone come out and give this show our support. The first show will start at 1:00 P. M., at the Ball Park. This will be preceded by a band concert and then another show will take place at 7:30 P. M.

Your counsel and advice on all public matters is welcomed at all times. —Sincerely,

C. T. Moses, Jr.
Mayor, Town of Appomattox.
